

A very warm, welcome and good evening to everyone present here with due respect to the dignitaries on the dias. Our annual report showcases the achievements and glories of our school when the academic year began we had chalked out our plans for the school improvement keeping in mind, our school, vision and mission. Due attention was given to teachers training, curriculum, curriculum development, annual planner teaching, learning process, improve, pedagogical learning, experiemental learning, student responsibility, communication, self discipline, community outreach, awareness programs, counselling and special education and above all healthy parents school relationship.

The academic year commenced for teachers on 15 May 2023 and they had various workshops from Swaadhyan, Sealtabs, and other resource persons.

Summer camp was conducted at BRS on 10th April with fun filled and enriching activities for the young mind. Montessori to class eight parents were oriented on 27th May. Where in the parents were given an insight about the various assessment criteria and the parental role in leading us a helping hand.

They were enlightened about the CBSE guidelines for various assessments and internal marks. I had conducted various workshops for my teachers relating to classroom management, happy classroom, stress management, art integration etc. In fact I kept training my teachers throughout the year to keep them on par with CBSE standards.

Swaaadhyan Workshop was conducted on 17th May and 7th July respectively by Mrs Deshpande and Mr Yashwanth. They are the passionate teacher, trainers activities and assessments on this digital platform were explained to the teachers which intern makes the digital process more effective and adaptive Mr Arun Kumar a trained Math's resource person from Chennai conducted a workshop for our teachers on 2 June 2023. He discussed the importance of the 21st century skills in teaching learning process , focusing on the communication collaboration, creativity and critical thinking.

As part of the environment day is celebrated On 5th June. Our students presented posters and slogans. Highlighting the need to keep our city clean and green. We are thankful to the parents who contributed saplings to our school garden.

Interesting the responsibility for the school leaders is a dire necessity for the school as they got trained to take up the responsibility as leaders of tomorrow. Investiture ceremony on 17 June marked a special occasion for us. The leaders were conferred various badges and given the responsibilities

International Yoga Day was celebrated on 21 June 2023.

Our students were thrilled to see the live show on Chandrayaan three launch on 14 July 2023 . They were educated about the launch of Chandrayaan 3.

The students of class 1 to 3 on 19th July were taken to the Sarjapura Curries farm where they experience the growth of various vegetables thereby paving the way for experience learning. Grade 4 to 8 were taken to Swamy nursery on July 20 where different types of seeds and plants, herbs, shrubs, creepers, and climbers were seen and they acquired knowledge about them through our science teacher. Children had great fun in watching movie on 20 21st July in our auditorium for some relaxation. In fact they had movie time.

The high school students were taken to the farm land on 27th July. Where in they learnt about multiple cropping pattern high yielding varieties of seeds, pesticides, types of fertilizer and their duration of harvesting. Class 5 to 8 were taken to Lalbagh botanical Garden on the 9th August to visualise the Flower show.

Class wise meetings were conducted for various classes for the parents. The principal address the parents and the concerns raised by the parents were given due consideration.

Grade 1 and 2 were taken to supermarkets and they were explained about the various products.

Our Montessori kids had visited the Jain Temple on 24th August

on January 9 Grade 4, 5 and 6 children were taken to the mad man-made forest at TVS Hosur, bird watching and different types of trees were noteworthy. The children visualise different types of birds. We thank Mr Vimal Raj, our grade 5 parent herberetologist who organised this trip and applied leave to his office and explain the students the different types of bird and the importance of the environment.

Founders Day was celebrated on 14th August to commemorate the birthday of our beloved Chairman Sir. Students were interested to present various dance performances. Wishing him a happy birthday.

Independence Day Celebrations was a tremendous program of success where in the children displayed their talents to show their love for the nation. The introduction of Hindustan Scouts and guides added feathers to our cap under the able guidance of Mr Arvind.

The cardiac and orthopaedic screening camp in Narayana Vidyalaya. The eye camp vasan eye care and the blood donation camp by Redcross were organised in our school on November 4, 2023

On 27th August Our school took part in the 11th South India level karate and kung fu championship 2023 involving students from grade 3 to 8. They brought awards to our institution by winning a trophy in the tournament.

Teachers day were celebrated on fifth September. Our management was magnanimous to send us to Sugi resort

IBM skills workshop on genertive AI was conducted on 27th October for our middle school students. This was in collaboration with CBSE and the training wing from IBM had felicitated our students how to use AI in life and also the various certification courses available in their portal regarding AI.

Mrs Vandana of School who is specialised in health and nutrition, educated our class 1 to 8 students about the healthy and balance food.

Another parent of grade 6 Dr Sujatha conducted workshop on 2 November 2023 on the safety and security of girls. The workshop was conducted with the aim of

providing essential information on menstrual hygiene and addressing the critical issues of good touch and bad touch, thereby fostering a culture of awareness and empowerment.

Grandparents day was celebrated on eighth September. We had given an awareness about the various government schemes available for senior citizens. With the help of Mr Sampath Kumar, our parent of Grade 8 as he is working in the government department. We also had certain awareness programs this academic year, our students created awareness among the public through a rally carrying Placards about the environmental hazards of noise pollution, while using crackers.

Mr Vimal Raj, once again conducted a comprehensive workshop on snake awareness with the students with practical knowledge on safety measures and first aid in the event of snake bite and also educated the students not to be scared of snakes.

CPR training was organised by Mr Arvind from Scouts and guides for school students. This helped students to be alert in times of need.

Needless to say our science exhibition on November 18 projected, the students capability and skill. This event reflected the school emphasis on fostering scientific curiosity and effective communication skills

Annual sports day on November 25 showcase a vibrant display of athlete fur fostering a sense of community, especially the parent involvement and sports was much appreciable.

visit to Kerala from September 12-16 was a phenomenal experience with the students of class 5 to 8 they had an insight into the plantations the knowledge of making the tea, boat house etc.

We had inter class competitions. Such a story, training quiz cooking without fire, poster making et cetera. The competition, competitive examinations of spell bee and Olympiad formed part of the curriculum and several of our students have gone to the next level and many have achieved medals and certificates.

Montessori was bursting with activities throughout the year. Various celebration such as Raksha Bandhan and Krishna Janmashtami Ganesh Chaturthi Dussehra. Kannada Rajyotsava, Aksharabhyas ceremony and christmas celebrated with much enthusiasm and Vigour

A one-day trip for Montessori and Grade 1 to 4 will be organised next month. Another glory to BRS is award conferred upon us by India K12 summit. They have conferred upon is the best school for adopting innovative teaching methods on 23 August 2023. The universal mentors Association presented me the visionary leader of the year 2023 at the eighth leader summit 2023 on 25th August.

As a resource person of CBSE. I have conducted CBSE workshops at various schools on stress management, happy classroom art integration, gender, sensitivity, learning outcome and pedagogy and also the nation education policy. The much awaited affiliation of BRS Global school bidaraguppe has come to an end.

We had a rigorous process of procuring various documents and our Chairman and Mrs Bharathi our PRO were on their heels to get these documents from various departments. I had prepared my teachers and admin to maintain various documents needed to face the CBSE inspection. It was a herculean task for all of us.

my entire team including the non-teaching staff, especially our class 4 employees and aunty of BRS work very hard to maintain the cleanliness as expected from me, I thank Mrs Nimisha and Mrs Rakhi and Bharathi for supporting us in the CBSE inspection. We had in fact applied on 30 June 2023. We had several steps to complete the process of uploading various details at last 5th Jan 2024 at 2 member inspection committee from CBSE inspected our school, teaching learning process, facilities and other documentation were inspected thoroughly from the CBSE inspection committee. We are expecting Grand by the end of this month as the timeline given by CBSE is within 30 days from inspection date.

All these achievements and activities would not have been possible without the able guidance of our management. I wholeheartedly thank our chairman sir,

secretary madam and their oftsprings for providing full support. In all that we do,I honestly wholeheartedly thank our beloved parents. You had cooperated with us in every step of our journey without you, we would not have been able to achieve our desired goals. I thank all those parents who were reffering admission to us and also those are always supportive to us. I request all of you to render helping hand in uplifting our school and helps us in whatever possible way to educate our young minds and involve yourself not as parents but as family members

Let us be united and I promise you that BRS is always with you. I congratulate my admin and my teachers who are my backbone and carrying out my work smoothly. Where whenever I allocated the work to them, they took it up wholeheartedly and it was indeed a challenging year for all of them as we had too many activities and the inspection and concentration on academics at one go, but my team never said their foot down. They faced every challenge, including my drivers and class four employees .The in charges, the cultural head and the sports and exam incharge Mrs Elizabeth and Mrs Rajeshwari work were commendable . it doesn't mean my other staff were less but each and every staff in BRS Global school have worked to the core to bring Lawrence to our institution. We have more plans to go and as you said I will drink life to the lease. We will achieve many more in BRS.
